INSTRUCTIONS TO JUDGES

Please read the "Instructions to Judges" sheet in your packet.

RULESEntry Limit: 1 couple per school (Couple is eligible to participate in group Folk Dance as well.)Selection of Dance: You must check the website for the current year's dance!

All couples dance the same dance, which will be posted on the website by early fall of each school year. Couples DO NOT need to provide dance notes or music, as judges will already have dance notes. The same recording from the website will be provided at contest. Only one couple will dance at a time, and the boy and girl will be judged/critiqued separately, i.e., one or more judges will judge the boy, and one or more different judges will judge the girl. The boy's points and the girl's points will then be added together to obtain the final score for the couple. See the critique sheet for the specific judging criteria.

In years when the dance is an *Einzelplattler*, the dance will take place inside a four-meter circle marked on the floor, with an X marked in the middle. In other years, there may not be a circle. Dance must follow posted documentation. After being introduced, the couple will walk to the middle of the circle (or middle of the dance floor). The boy will be asked "(Name), are you ready?" When he replies yes, the music will begin.

Costumes (Tracht):

Tracht comes from the word *tragen* meaning "to wear." Thus, *Tracht* means that which one wears. As each region has its own distinctive *Tracht*, and *Trachten* are far too diverse to describe in just a few short sentences, *Tracht* will not be judged as to whether it is worn properly or authentically, only whether it is worn uniformly.
